Ep. 16. Younger Guy, Older Girl

Huh?
Hi~

Instead of coffee, I want a sweet potato latte!

Now that I'm thinking about it, all the girls I've dated have been older than me. Haha
I knew it! You calling me "Nuna Nuna" seemed just too natural

Really?

Is dating older girls better??
Rather than saying better let's just say they're a mystery
Instead of whining and being moody, they keep their composure when necessary
They complete their tasks without fail And I think they're good at understanding others They're free and confident!!
Well... Older girls are usually a lot alike...

I hope our Su-Neung isn't describing me using that logic~

She wants to make it work with her older boyfriend...

Or is he just teasing me to see me squirm...?
Ah, he's just making my situation awkward. Stressing me out...

Why can't I answer him on the spot? Will I even see him again after today?
Wouldn't it be best to just make up a witty answer and end this date on a good note??

Do you want some ice cream?
Of course!!!

This time, I'll buy the ice cream

Ah..

It's sweet, so sweet.

I only set up the stage It was a short-term part-time job
Working and going to school isn't that hard?
That's why I only look for small part-time jobs I have to study and attend class I do need to find another job quick, though

Did your interview go well that day?
Oh, right. I went to an interview that day
Urgh
It...
it didn't go well?
I had forgotten about it.

I hope you're right.
I was thinking...

Did you ask me for my number in the heat of the moment? A complete stranger...?
Well...
No!

Well the thing is...

Everyone got along great and...
The opportunity seemed to be there to get your number..
Also I was a bit tipsy so honestly...
I don't remember much from that night

There was no special reason...

I...
was just joking...
Oh! I'm sorry. I was being too literal.
I was afraid you'd take what happened the wrong way

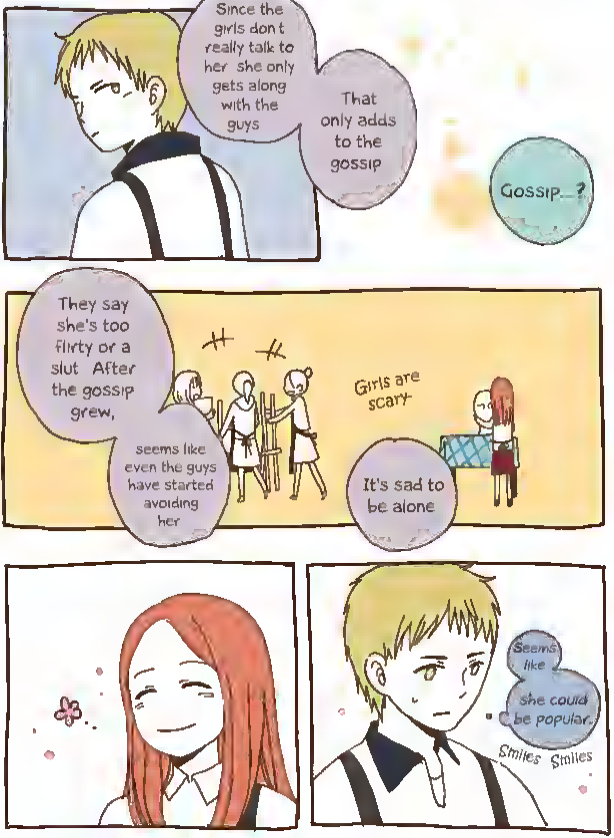
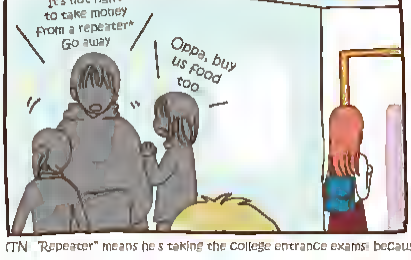
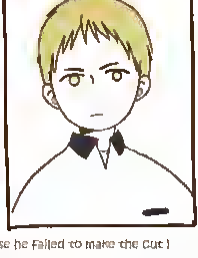
That fact doesn't make Oh Ju-Na a favorite with the girls



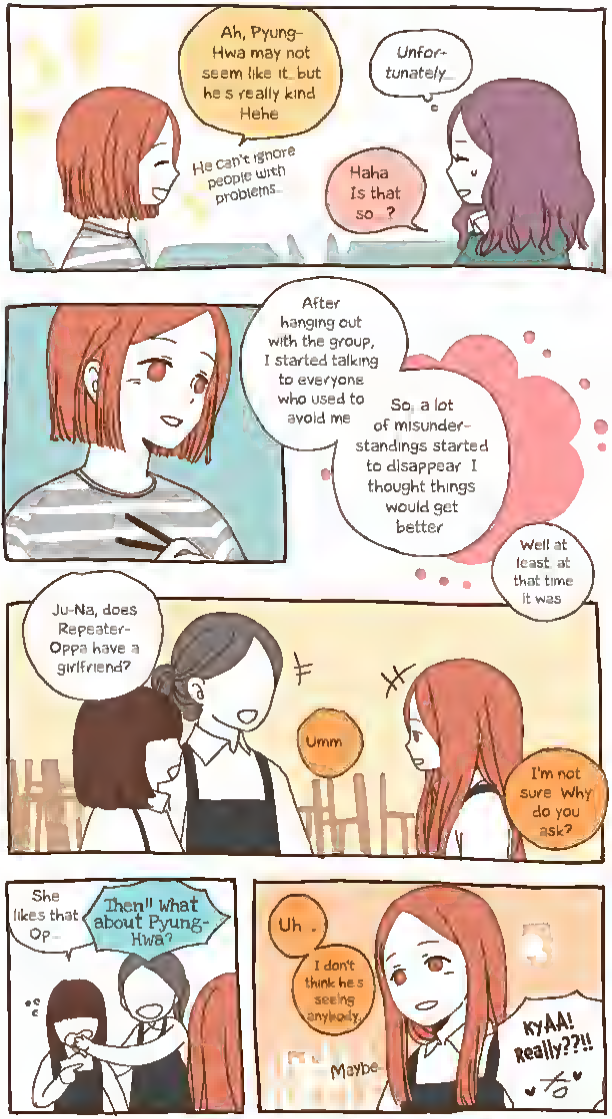
Since the girls don't really talk to her she only gets along with the guys
That only adds to the gossip
Gossip...?
They say she's too flirty or a slut After the gossip grew,
seems like even the guys have started avoiding her
Girls are scary
It's sad to be alone
Seems like she could be popular
Smiles Smiles



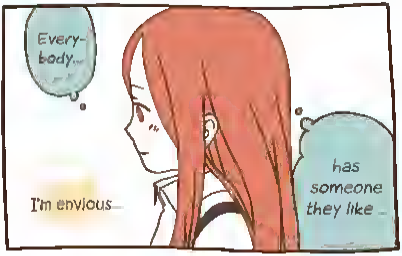


(TN "Repeater" means he's taking the college entrance exams because he failed to make the cut.)

Ju-Na
Oh Ju-Na!
?
Let's go and
You're hungry too
eat together.
Okay!
Actually, I was really lonely,
until Pyung-Hwa hung out with me.
The academy started to be a more enjoyable place ever since



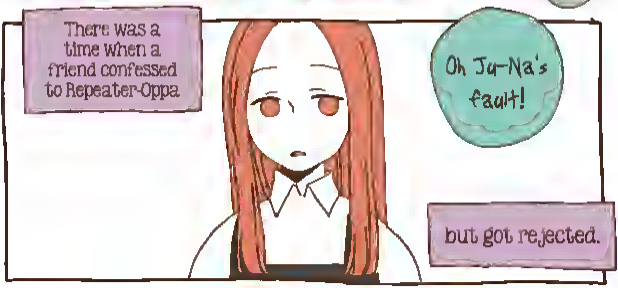
Ah, Pyung-Hwa may not seem like it, but he's really kind Hehe
He can't ignore people with problems.
Unfor-tunately...
Haha Is that so...?
After hanging out with the group, I started talking to everyone who used to avoid me
So, a lot of misunder-standings started to disappear. I thought things would get better
Well at least at that time it was
Ju-Na, does Repeater-Oppa have a girlfriend?
Umm
I'm not sure. Why do you ask?
She likes that Op-
Then!! what about Pyung-Hwa?
Uh..
I don't think he's seeing anybody.
Maybe.
KYAA! Really??!!



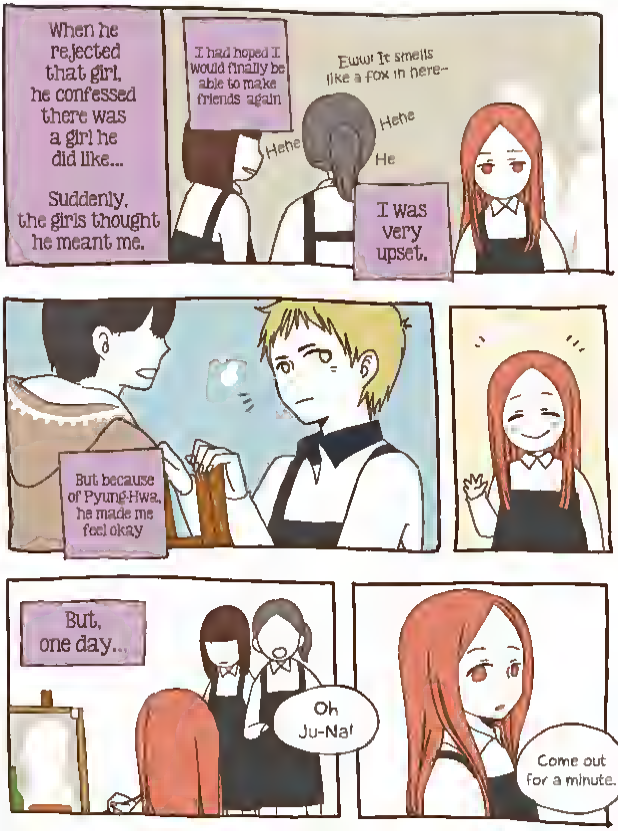
Every-body...
I'm envious...
has someone they like...

Then one day...

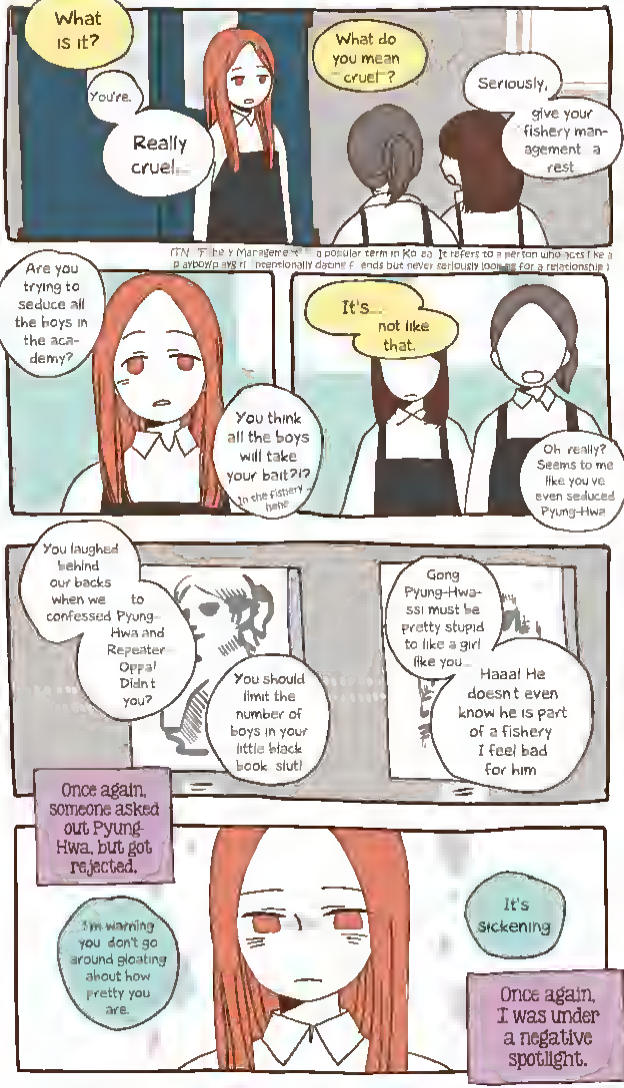
pour
Sob... Sob...
Don't cry... Don't cry...
Ugh So annoy-ing...
This is all



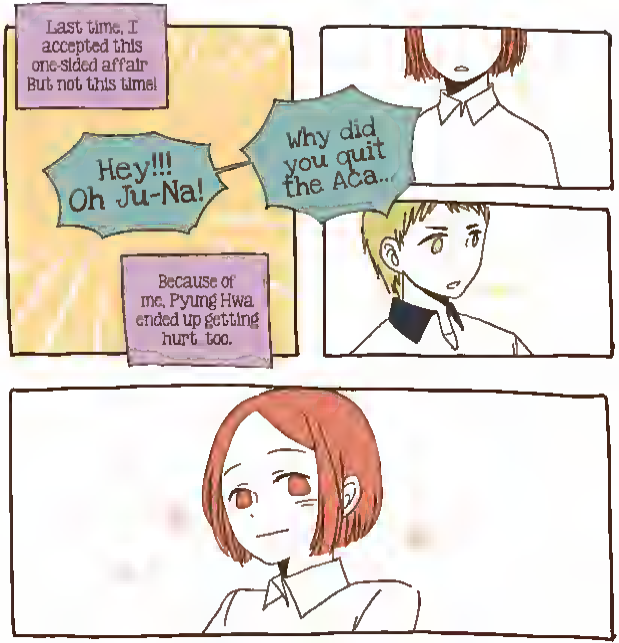
There was a time when a friend confessed to Repeater-Oppa
Oh Ju-Na's fault!
but got rejected.



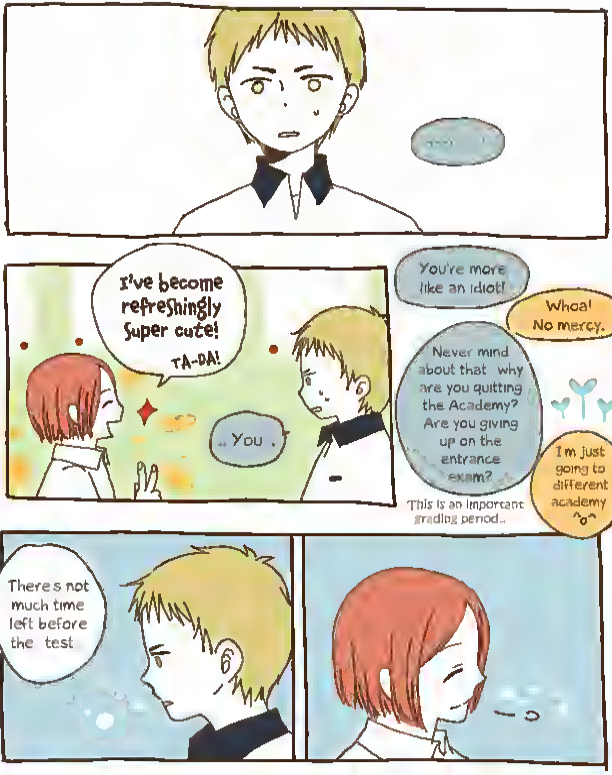
When he rejected that girl, he confessed there was a girl he did like...
Suddenly, the girls thought he meant me.
I had hoped I would finally be able to make friends again
Hehe
Euuu It smells like a fox in here~
Hehe
He
I was very upset.
But because of Pyung-Hwa, he made me feel okay
But, one day...
Oh Ju-Na!
Come out for a minute.



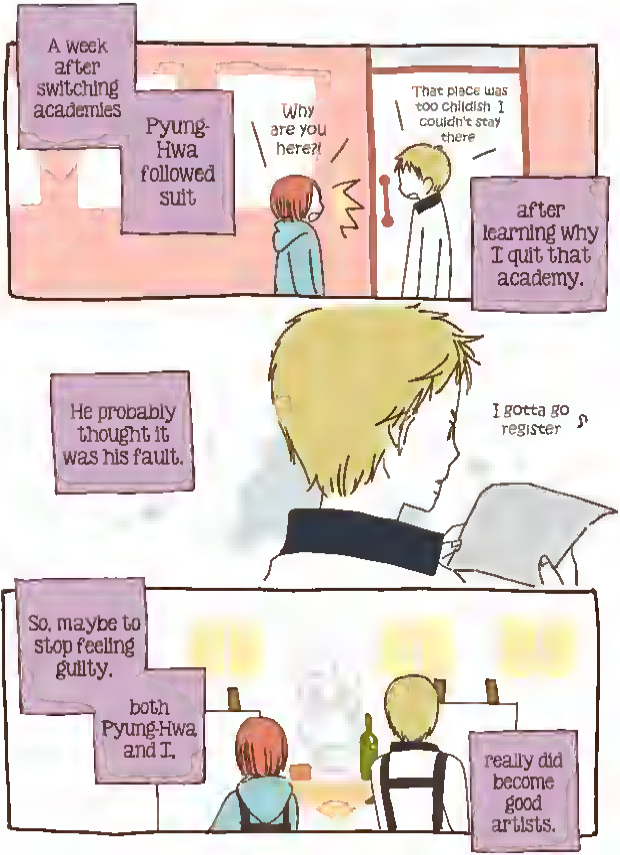
What is it?
You're.
Really cruel...
What do you mean "cruel"?
Seriously, give your fishery management a rest.
(TN: "Fishery Management" is a popular term in Korea. It refers to a person who places the appropriate amount of emotional distance from friends but never seriously looks for a relationship.)
Are you trying to seduce all the boys in the academy?
You think all the boys will take your bait?!?
To the fishery here!
It's... not like that.
Oh really? Seems to me like you've even seduced Pyung-Hwa
You laughed behind our backs when we confessed to Pyung-Hwa and Repeater-Oppa! Didn't you?
You should limit the number of boys in your little black book, slut!
Gong Pyung-Hwa-ssi must be pretty stupid to like a girl like you...
Haaa! He doesn't even know he is part of a fishery I feel bad for him
Once again, someone asked out Pyung-Hwa, but got rejected.
I'm warning you, don't go around gloating about how pretty you are.
It's sickening
Once again, I was under a negative spotlight.



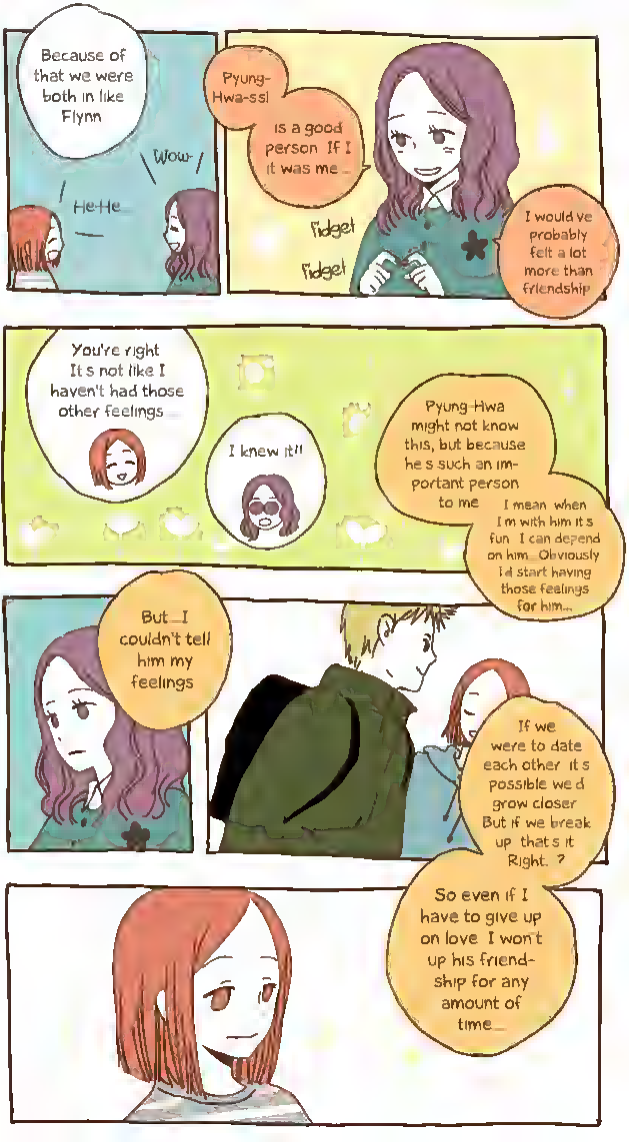
Last time, I accepted this one-sided affair But not this time!
Hey!!! Oh Ju-Na!
Why did you quit the Aca..
Because of me, Pyung Hwa ended up getting hurt too.



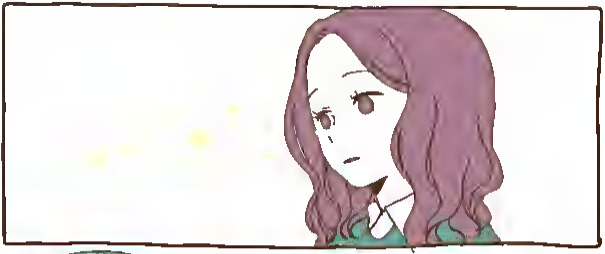
.....
I've become refreshingly super cute!
TA-DA!
.. You .
You're more like an idiot!
Whoa! No mercy.
Never mind about that why are you quitting the Academy? Are you giving up on the entrance exam?
This is an important grading period..
I'm just going to different academy ^o^
There's not much time left before the test

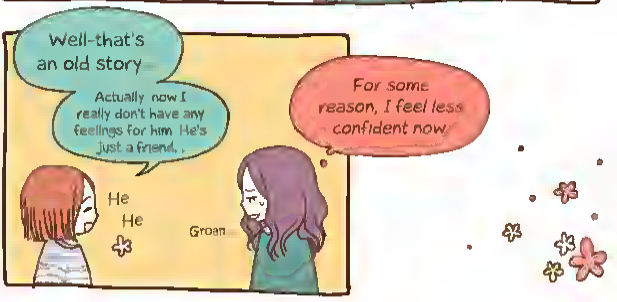


A week after switching academies
Pyung-Hwa followed suit
Why are you here?!
That place was too childish I couldn't stay there
after learning why I quit that academy.
He probably thought it was his fault.
I gotta go register
So, maybe to stop feeling guilty.
both Pyung-Hwa and I,
really did become good artists.



Because of that we were both in like Flynn
Wow
He-He...
Pyung-Hwa-ssi is a good person. If I it was me...
Fidget
Fidget
I would've probably felt a lot more than friendship
You're right. It's not like I haven't had those other feelings...
I knew it!!
Pyung-Hwa might not know this, but because he's such an important person to me
I mean, when I'm with him it's fun. I can depend on him. Obviously I'd start having those feelings for him...
But...I couldn't tell him my feelings
If we were to date each other, it's possible we'd grow closer. But if we break up, that's it. Right...?
So even if I have to give up on love, I won't up his friendship for any amount of time...





Well-that's an old story
Actually now I really don't have any feelings for him. He's just a friend. .
For some reason, I feel less confident now

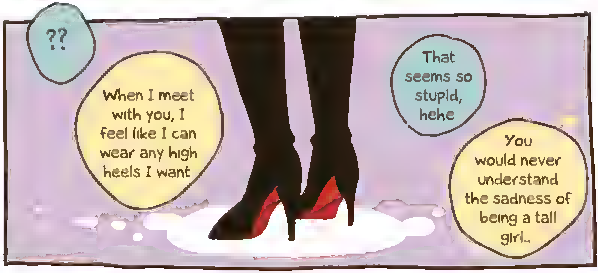
Hello Jang Mira!
Heey. Kim Sang-Hoon
Long time no see~

smirk

Yep. I really do like it

What?

Your height!



??
When I meet with you, I feel like I can wear any high heels I want
That seems so stupid, hehe
You would never understand the sadness of being a tall girl..

Let's go in first, I'm feeling really cold...
Haaaa.. You're still weak to the cold, huh?

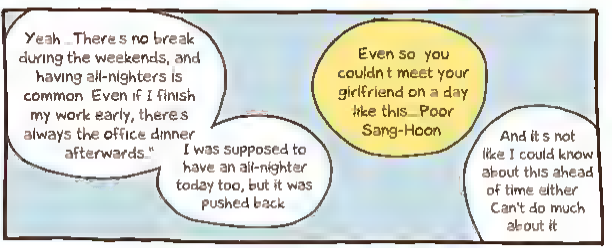
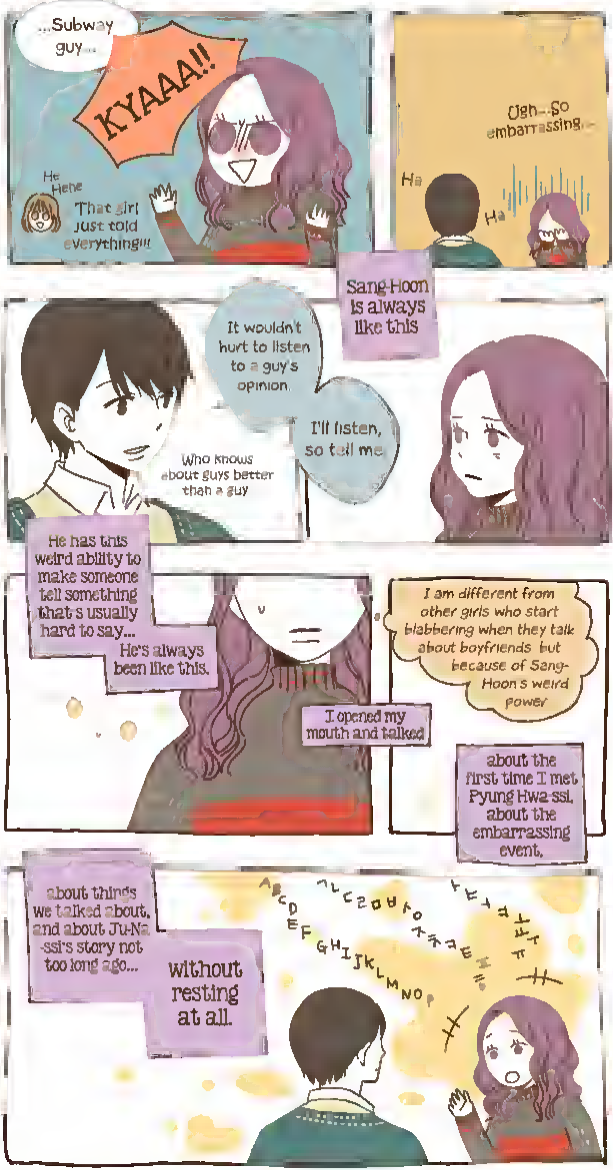
Anyway.. Sang-Hoon have you been
pretty busy lately ? Yeo-Reum's been crying because you aren't meeting her

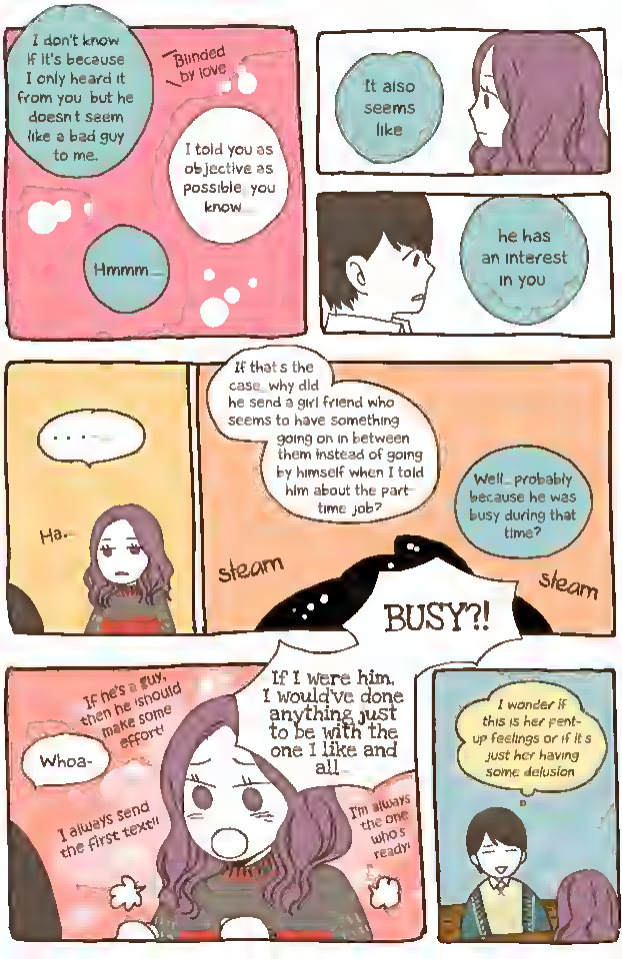


Yeah _There's no break during the weekends, and having all-nighters is common Even if I finish my work early, there's always the office dinner afterwards."
I was supposed to have an all-nighter today too, but it was pushed back
Even so you couldn't meet your girlfriend on a day like this_Poor Sang-Hoon
And it's not like I could know about this ahead of time either Can't do much about it

Well, at least I get to meet you.
Ah Sang-Hoon is such a waste on Yeo-Reum
This is yummy
Ah
I heard you were on a blind date?
Keh?!
From whom, how much do you know?
I probably know who it is but...
From someone you're thinking of someone right now and as far as your blind ate not working out so well
Well, there's nothing more to add from that
What about that guy?
What do you mean by that guy?

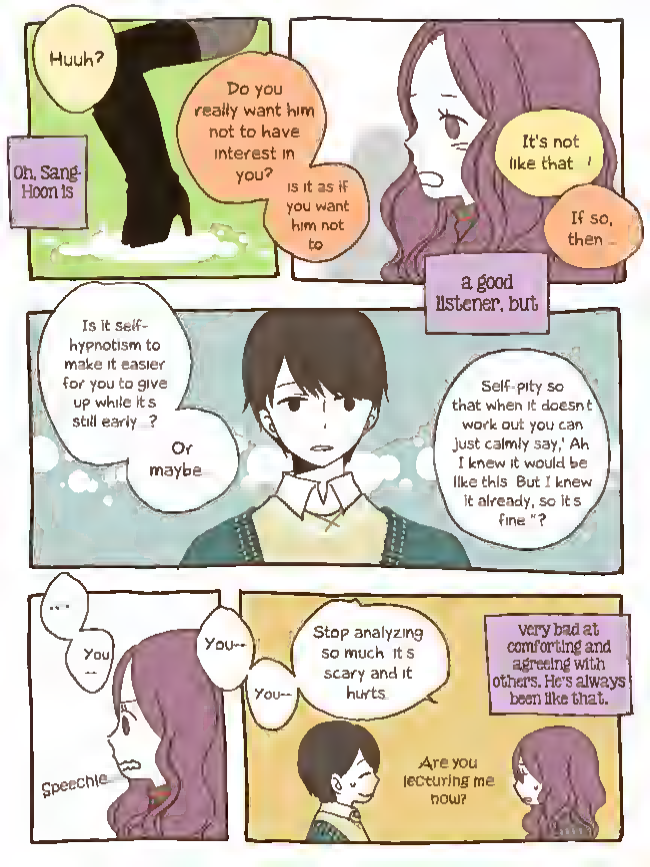


...Subway guy...
KYAAA!!
He Hehe
That girl just told everything!!!
Ugh...So embarrassing...
Ha
Ha
Sang-Hoon is always like this
It wouldn't hurt to listen to a guy's opinion
I'll listen, so tell me.
Who knows about guys better than a guy
He has this weird ability to make someone tell something that's usually hard to say...
He's always been like this.
I opened my mouth and talked
I am different from other girls who start blabbering when they talk about boyfriends but because of Sang-Hoon's weird power
about the first time I met Pyung Hwa-ssi, about the embarrassing event,
about things we talked about, and about Ju-Na-ssi's story not too long ago...
without resting at all.



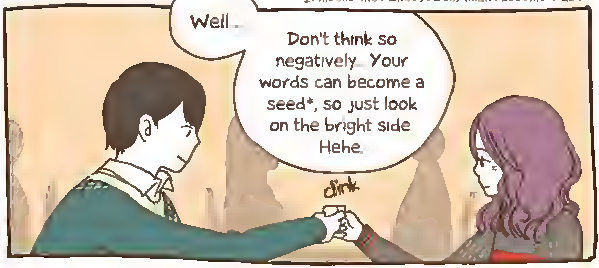
I don't know if it's because I only heard it from you but he doesn't seem like a bad guy to me.
Blinded by love
I told you as objective as possible you know
Hmmm
It also seems like
he has an interest in you
Ha-
If that's the case why did he send a girl friend who seems to have something going on in between them instead of going by himself when I told him about the part-time job?
Well probably because he was busy during that time?
steam
steam
BUSY?!
Whoa-
If he's a guy, then he should make some effort!
I always send the first text!!
If I were him, I would've done anything just to be with the one I like and all
I'm always the one who's ready
I wonder if this is her pent-up feelings or if it's just her having some delusion

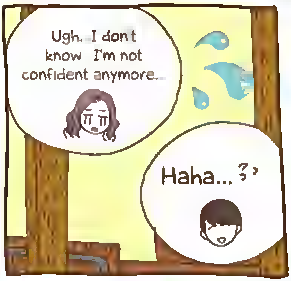
Sigh
Interest, what interest that's not possible
Sigh
Why
do you keep thinking that way?
Is that what you really want?

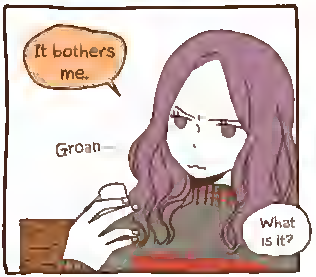


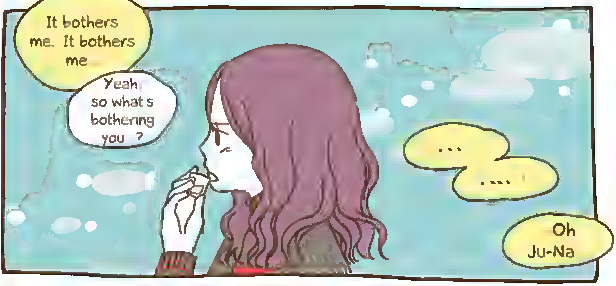
Huuh?
Oh, Sang-Hoon is
Do you really want him not to have interest in you?
Is it as if you want him not to
It's not like that !
If so, then –
a good listener, but
Is it self-hypnotism to make it easier for you to give up while it's still early...?
Or maybe...
Self-pity so that when it doesn't work out you can just calmly say,' Ah I knew it would be like this But I knew it already, so it's fine "?
...
You--
Speechle...
You--
You--
Stop analyzing so much it's scary and it hurts
very bad at comforting and agreeing with others. He's always been like that.
Are you lecturing me now?

(TN "Word becomes a seed" is a popular phrase in Korea
It means that what you say might become true.)



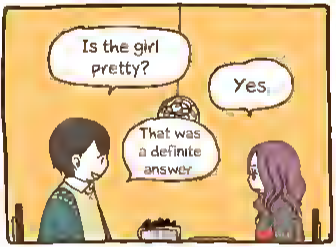






Even though Ju-Na-ssi says no, Pyung-Hwa-ssi might still like her,
and it looks like they are always together
If a guy and girl stay close like that even if they are not friends they're going to be connected.
Jang Mira-ssi Relax
What about you?
If you were me would you be bothered or not? It would bother you right?!
Hmm
Well if the one you like has a friend of the opposite sex then it is definitely bothering If I say, "Stop seeing each other!" then I'd look like the weird person but if I don't it would be just keep on hurting me seeing them like that
That's it!

But that's if they're really going out
Ugh
piled up
TRASH BIN
For now we do not know what the guy is thinking and even if we do
Well, there is not much that could be done.
Sob



Is the girl pretty?
Yes.
That was a definite answer

I really was interrupting them at that time...
You said you didn't like them! You said he was just a friend
Should I just go home ?
Ryung-Hwa is mean too..
If they were going to do this they should have played by themselves Why bring me along..
Ah I'm disappointed and miserable..

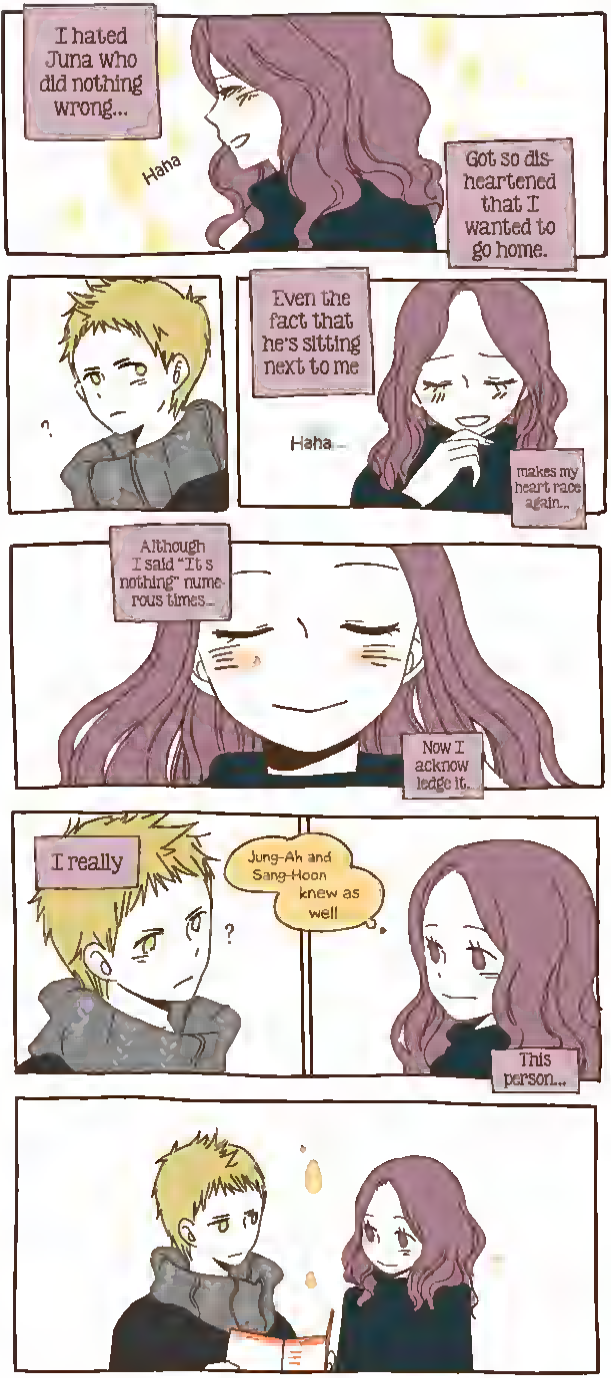
Got disappointed because I mis understood



I hated Juna who did nothing wrong...
Haha
Got so disheartened that I wanted to go home.
?
Even the fact that he's sitting next to me
Haha...
makes my heart race again...
Although I said "It's nothing" numerous times...
Now I acknowledge it.
I really
?
Jung-Ah and Sang-Hoon knew as well
This person...

아는사람 이야기

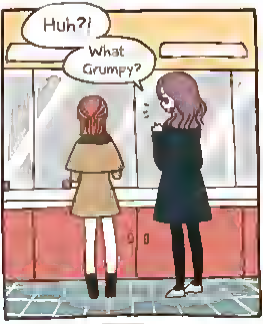
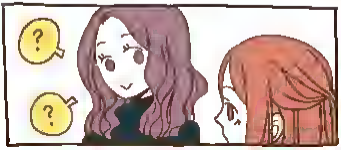
Ep. 26. Déja vu

I'm going to the restroom
Ah
Let's go together
Why do girls
go to the restroom together..?
shuaa-
Did I not put makeup under my eyes?
ok
Unni .
shuaa-
?
I'm sorry for being so grumpy

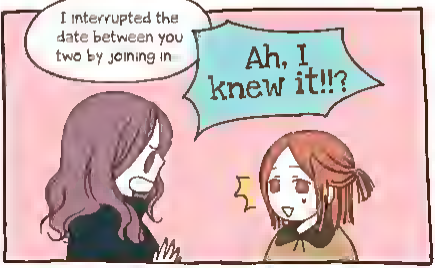


Huh?!
What Grumpy?



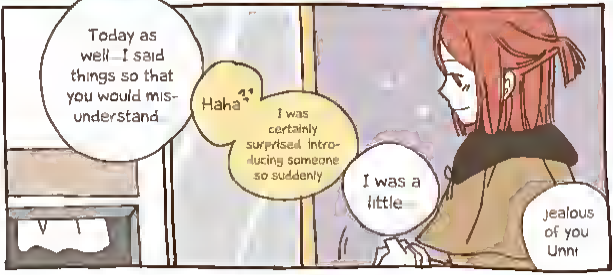
?
?

She doesn't know...?

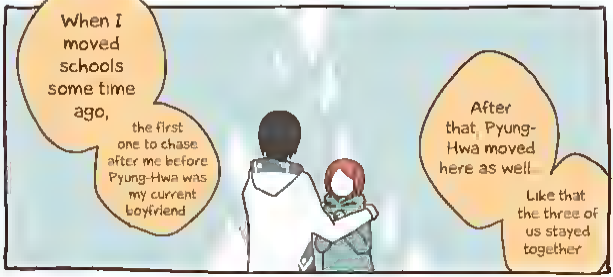


I interrupted the date between you two by joining in
Ah, I knew it!!?

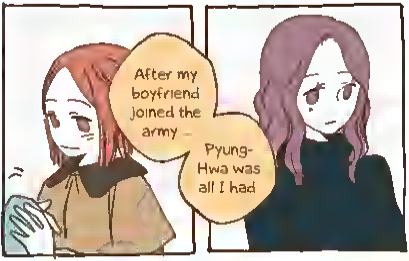
Why did you pretend like you didn't know ?
Haha
Embarrassed



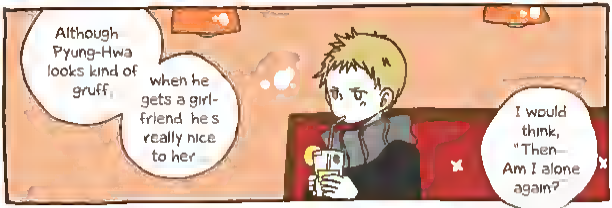
Today as well—I said things so that you would misunderstand
Haha
I was certainly surprised introducing someone so suddenly
I was a little
jealous of you Unni



When I moved schools some time ago,
the first one to chase after me before Pyung-Hwa was my current boyfriend
After that, Pyung-Hwa moved here as well
Like that the three of us stayed together



After my boyfriend joined the army
Pyung-Hwa was all I had
Now that I see it I didn't change at all I thought my personality got brighter, but
I was still scared



Although Pyung-Hwa looks kind of gruff,
when he gets a girlfriend he's really nice to her
I would think, "Then— Am I alone again?"

But now I have to slowly be more inde- pendent Please consider that day and today as
my last struggles before becoming indepen- dent
Try your best, fighting-!
Therefore
?
Is it true this time ?
No before that it's not something I can do well by myself
Let's go if you're done eating
Should we ?
It feels like Christmas when I see the tree decorations--
Yeah
What should we do now??
Well, of course,

We have to sepe-rate!
sta

Ah, bye!
Let's hurry up and go!

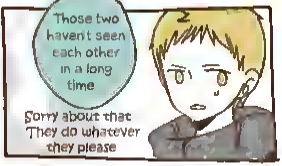
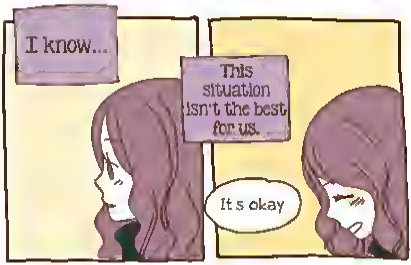
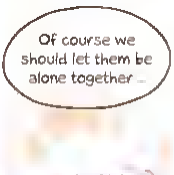
They must have wanted to play together more



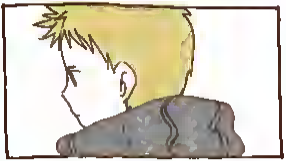
Those two haven't seen each other in a long time
Sorry about that They do whatever they please



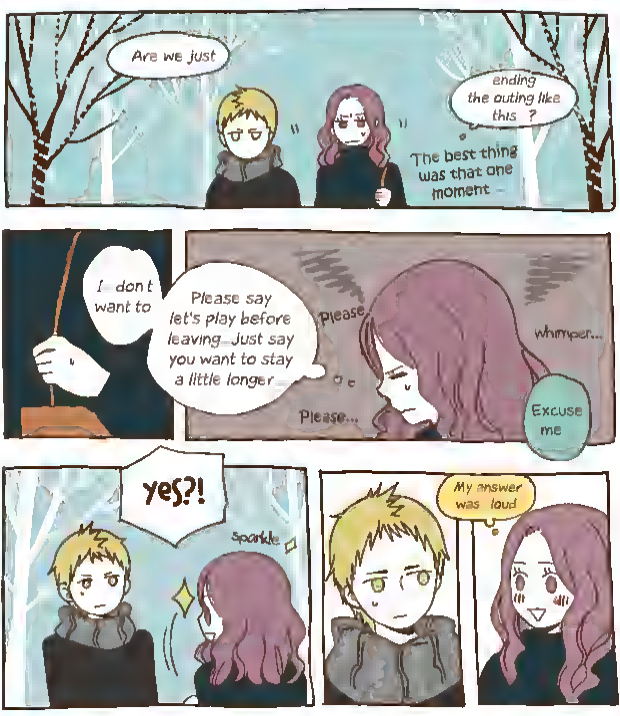
I know...
This situation isn't the best for us.
It's okay



Of course we should let them be alone together...
I still like it though.

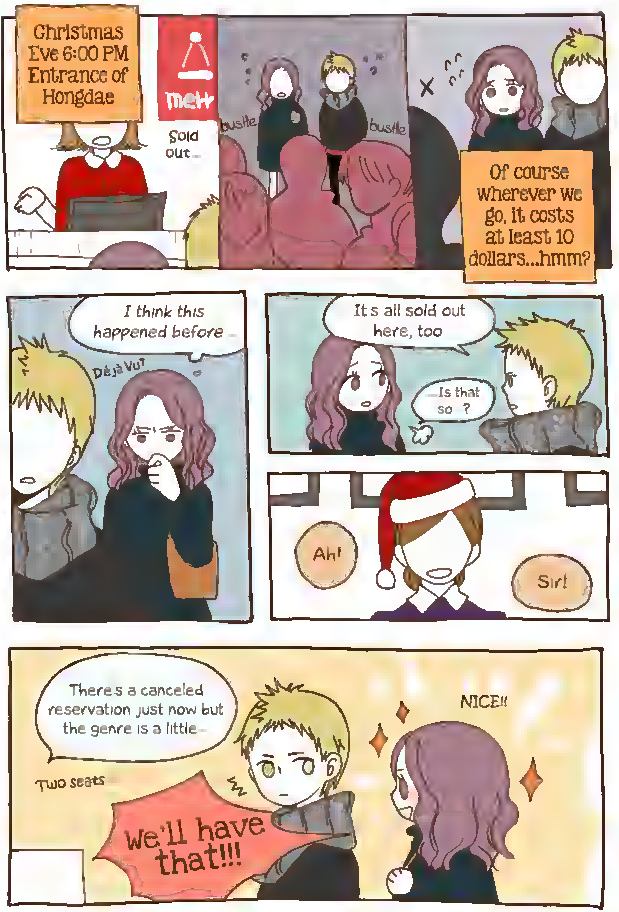


But...

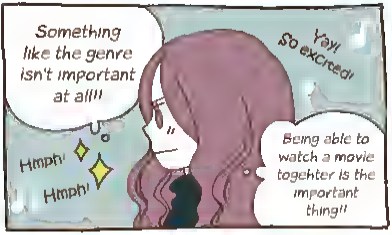


Are we just
ending the outing like this ?
The best thing was that one moment –
I... don't want to
Please say let's play before leaving... Just say you want to stay a little longer...
Please...
Please...
Whimper...
Excuse me
yes?!
Sparkle
My answer was loud

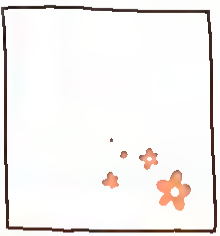
Just going home like this is a waste
Do you want to at least watch a movie?
I'm sorry, Sir
It's sold out .
Then...What about this movie?
There's just one seat left for this one
Huk
It sold out quickly.. because it's Christmas Eve
I'm sorry
What should we do...Do we just have to go...
Some-where else!!
KYA
AK
Let's go check another place okay?
...Should we?
Phew...



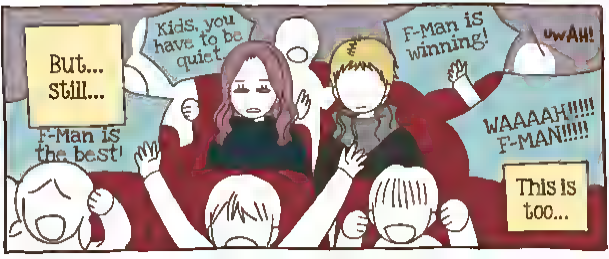
Christmas Eve 6:00 PM Entrance of Hongdae
Sold out...
bustle
bustle
Of course wherever we go, it costs at least 10 dollars...hmm?
I think this happened before...
Déjà Vu?
It's all sold out here, too
Is that so ?
Ah!
Sir!
There's a canceled reservation just now but the genre is a little...
Two seats
We'll have that!!!
NICE!!



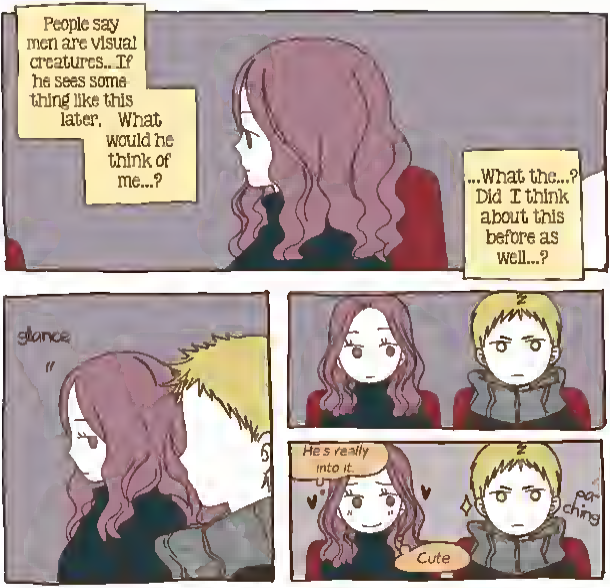
Something like the genre isn't important at all!!!
Hmph!
Hmph!
Yay! So excited!
Being able to watch a movie together is the important thing!!



F-SPRAAAY!!
spray
F-kill
KYAAAAAK-KKK!!!!!!!!



But... still...
F-Man is the best!
Kids, you have to be quiet
F-Man is winning!
uwAH!
WAAAAH!!!!! F-MAN!!!!!
This is too...



People say men are visual creatures...If he sees something like this later, What would he think of me...?
...What the...? Did I think about this before as well...?
glance
He's really into it
Cute

SLAM

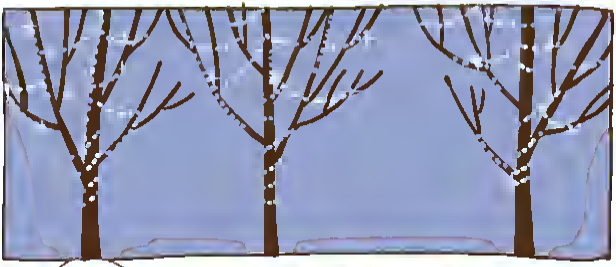
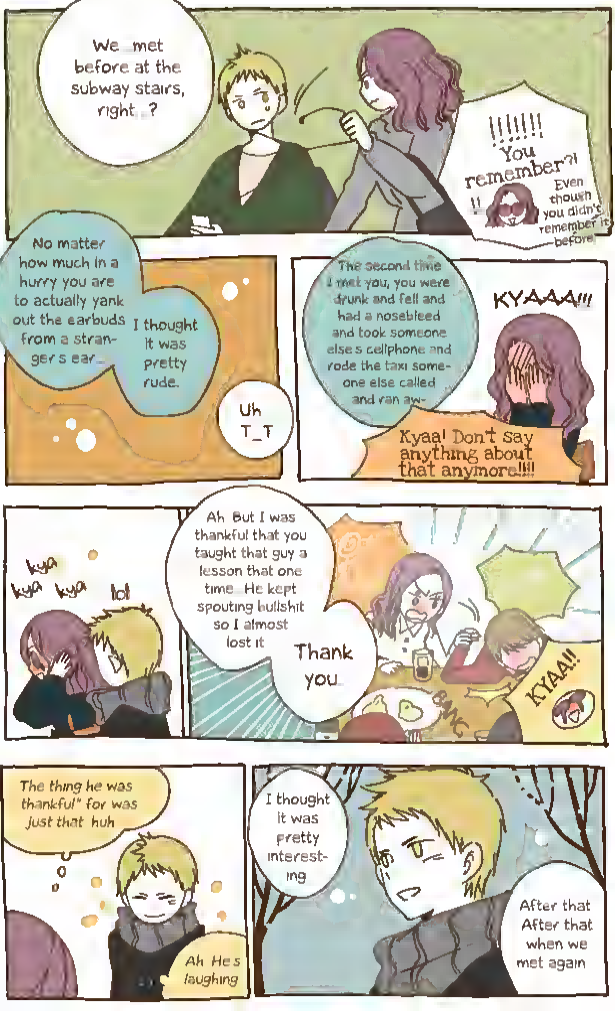
It is a masterpiece that I will never forget, F-Killer Man of Mid-Winter
Keke
I... I'm sorry It would've been better if we just waited and watched something else.
Keke
Keke
It was truly very fun
Keke
S-Sorry

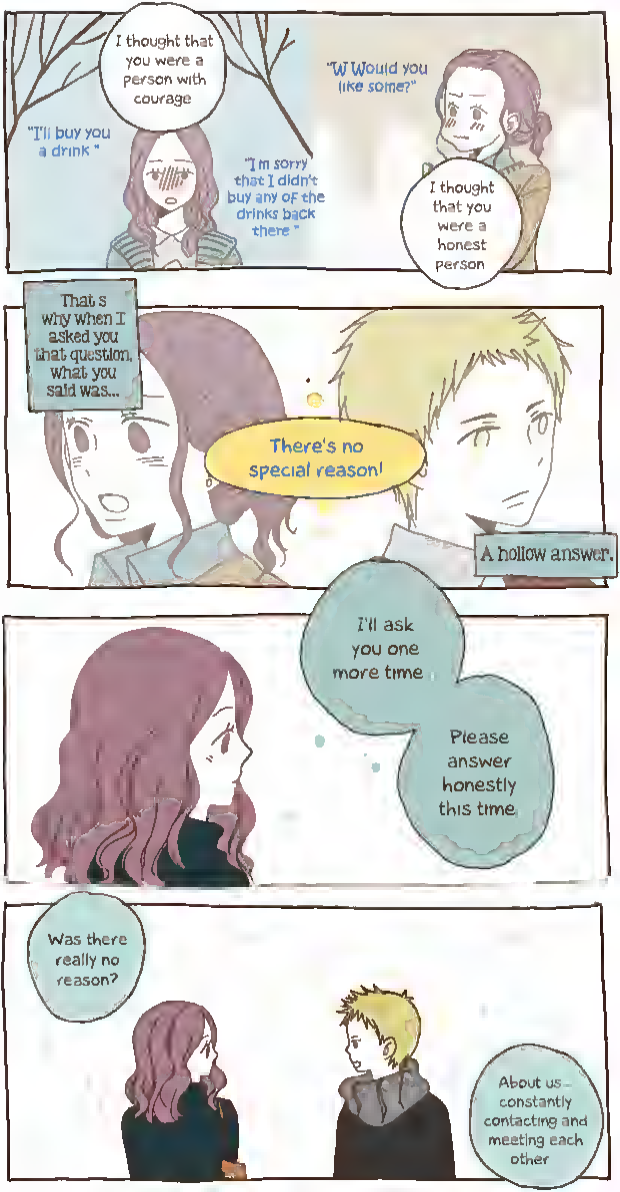


It got dark really quickly-
Maybe because it's winter
Wooow

"The Promise That's Filled With Misunderstandings..."
A movie that doesn't go well on a date...
The snow that doesn't fall even though you wait..
The day you waited for a long time, but nothing special happens
Even so, I'm very happy
Maybe because Kyung-Hwa's with me?!!
pft♥
Although I can't tell him that
The first time...
?



We...met before at the subway stairs, right...?
!!!!!!
You remember?!
Even though you didn't remember it before!
No matter how much in a hurry you are to actually yank out the earbuds from a stranger's ear...
I thought it was pretty rude.
Uh T_T
The second time I met you, you were drunk and fell and had a nosebleed and took someone else's cellphone and rode the taxi someone else called and ran aw-
KYAAA!!!
Kyaa! Don't say anything about that anymore!!!!
kya kya kya lol
Ah But I was thankful that you taught that guy a lesson that one time...He kept spouting bullshit so I almost lost it
Thank you...
KYAA!!
The thing he was thankful" for was just that huh
Ah He's laughing
I thought it was pretty interesting
After that After that when we met again



I thought that you were a person with courage
"I'll buy you a drink."
"I'm sorry that I didn't buy any of the drinks back there."
"Would you like some?"
I thought that you were a honest person
That's why when I asked you that question, what you said was...
There's no special reason!
A hollow answer.
I'll ask you one more time.
Please answer honestly this time.
Was there really no reason?

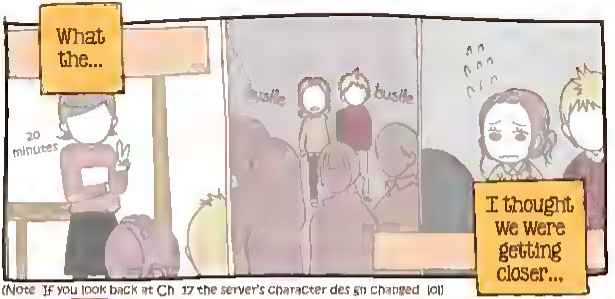
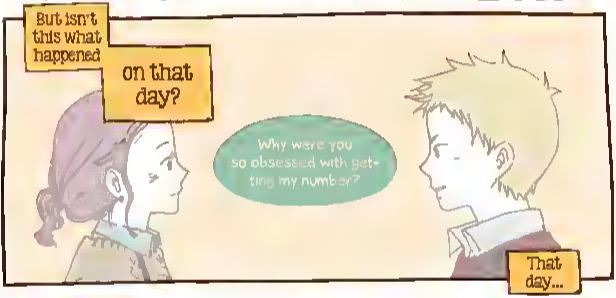
THE STORY OF SOMEONE WE KNOW

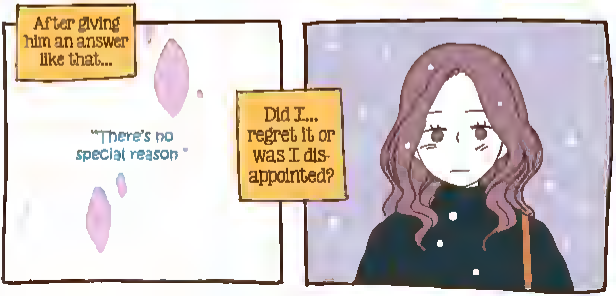
아는사람 이야기

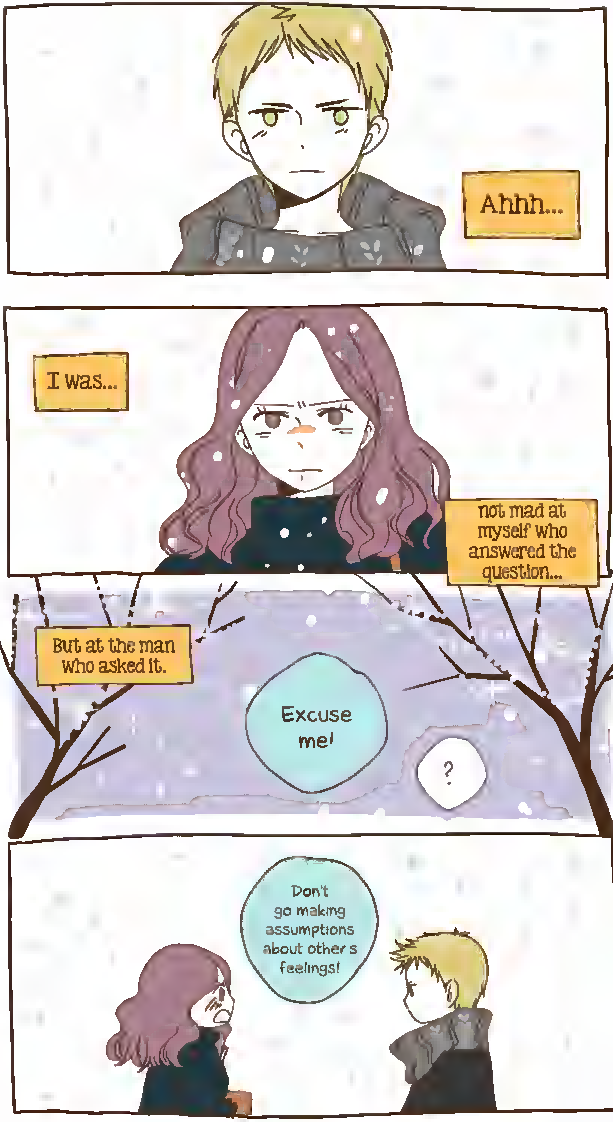
Ep. 27. Christmas Eve



(Note: If you look back at Ch. 17 the server's character design changed lol)

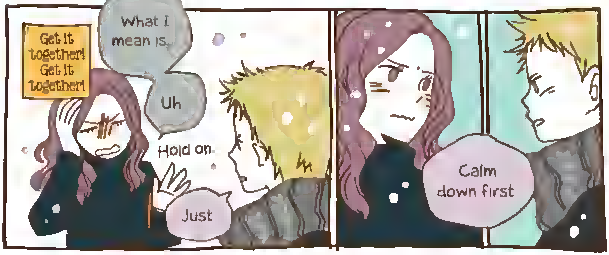






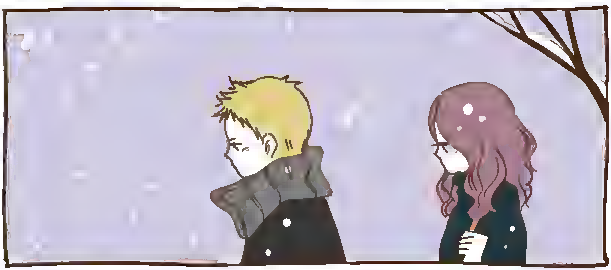
Ahhh...
I was...
not mad at myself who answered the question...
But at the man who asked it.
Excuse me!
?
Don't go making assumptions about other's feelings!

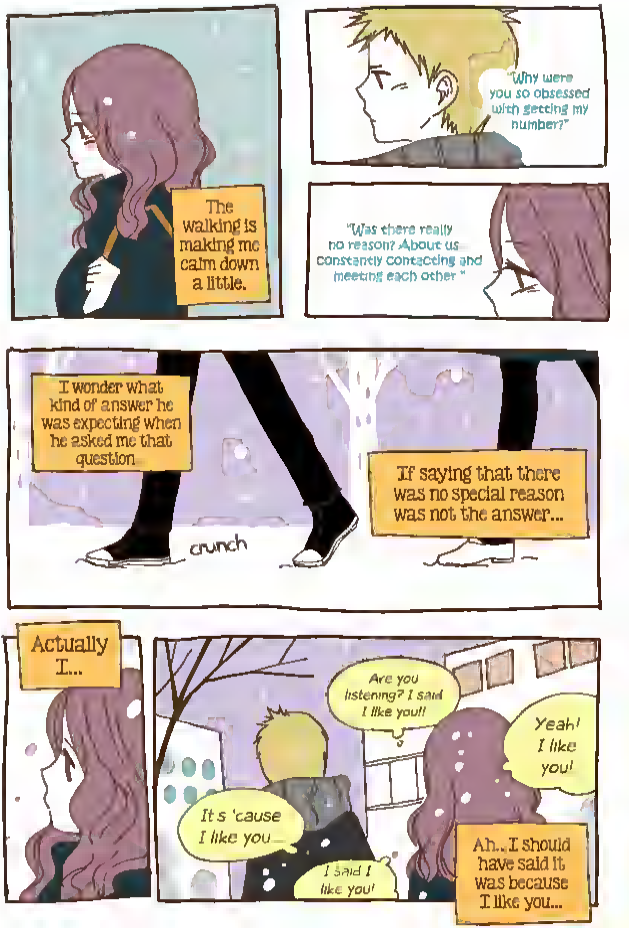
You did this once already, remember?
Gong Pyung-Hwa-ssi and I...
It's snowing
KYA
A white Christmas memento!!
I am...
not as brave
as you think I am...
Wh Why am I
Ah.
the only one that has to muster up courage and call?
Also I'm not even that honest Why are you just assuming things about me?
What am I saying? Everything I bottled up just poured out in a torrent...
Also.. If you think that I'm brave and honest can't you be brave and honest for once?



Get it together! Get it together!
What I mean is,
Uh
Hold on
Just
Calm down first

Young Hee
Chul Soo





The walking is making me calm down a little.
"Why were you so obsessed with getting my number?"
"Was there really no reason? About us constantly contacting and meeting each other."
I wonder what kind of answer he was expecting when he asked me that question.
crunch
If saying that there was no special reason was not the answer...
Actually I...
Are you listening? I said I like you!!
Yeah! I like you!
It's 'cause I like you...
I said I like you!
Ah... I should have said it was because I like you...

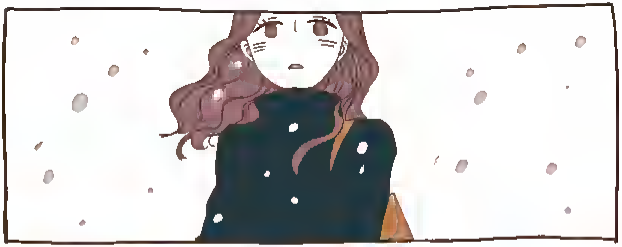
No...It'll look like I'm the only one still hung up about it.
Uw
ah
...Uh... But what if we become awkward again...
Are you alright_?
Huh? Yeah!!
It would be great if...
we could just take that one step...
I'm really alright
Ahahaha Hahaha
That's a relief
Are you cold?
N-No
Then should we keep walking?

You approached me first...
Yes
Ah... I feel lonely for some reason
Wait
Ah...

crunch
Embarrassed for crying
crunch
Um.
Let me explain myself.
nod

I'm a student There's still a long way to go before I can graduate
I often do part-time jobs and I barely make ends meet
As you can see, I'm not good at comforting people, so the people around me get hurt...
And... also
I'm... short,
so you can't wear high heels like today...
babble babble
Ah What I wanted to say was...
To suppress these short-comings
and muster up my courage...
I don't have confidence to do that.
Confidence.
That's what it was.
What if you were the first to confess...?
I'm not confident enough
People are all the same...

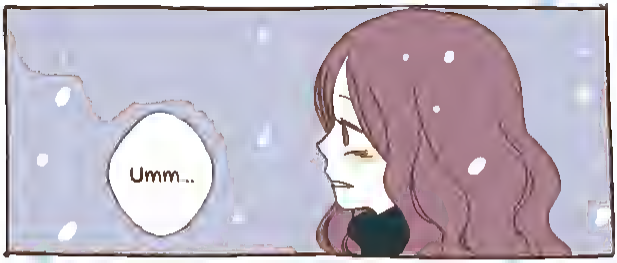
Honestly... I'm not as carefree as you think...
I get scared easily. Judge people however I want, and just looking at you, I wonder...
It's true. Everyone really is the same.
"Will she talk to me first?" ...and ask a cowardly question.
I even made you cry...I'm really sorry...I'll try to change.
If I want to gather my confidence and talk to you,
I'm probably...going to need a little more time.
...This is the most courage I can muster up right now
I lost confidence in myself...
When I get the courage to speak, my words might hurt someone and we'll become strained because of their reaction...
I stay where I am and expect others to approach me first..
I feel like I'm getting angry by myself and I get annoyed too sometimes



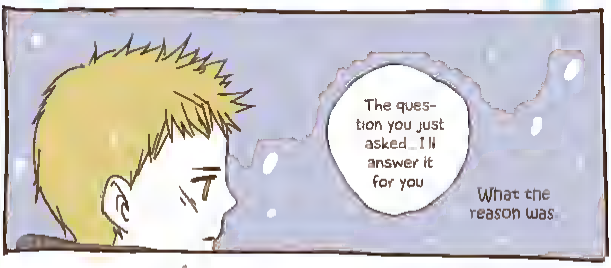
For a moment... I tried to step into his shoes
and look at what happened that way...
"Was there really no reason?"
"Ah Ah- It's like that"
"Play with me"
"I thought you were a person with courage"
The things he had a hard time voicing...
His true feelings that I couldn't read no matter how hard I tried.

Because of my stupid answer...
I can tell how fast her heart is beating by her hands
He must have been more worried about it than I was...

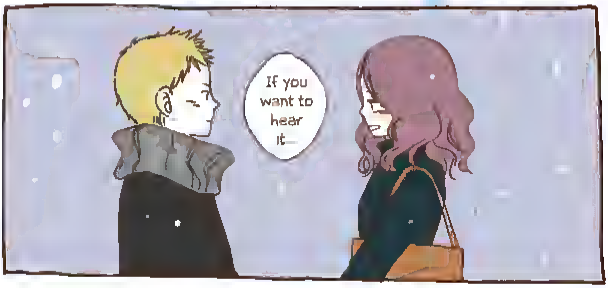
The person who makes me cry, laugh, sad, cry, and laugh



The one who mustered up his "courage" more times than I did.



So this time I will.



Play with me tomorrow..

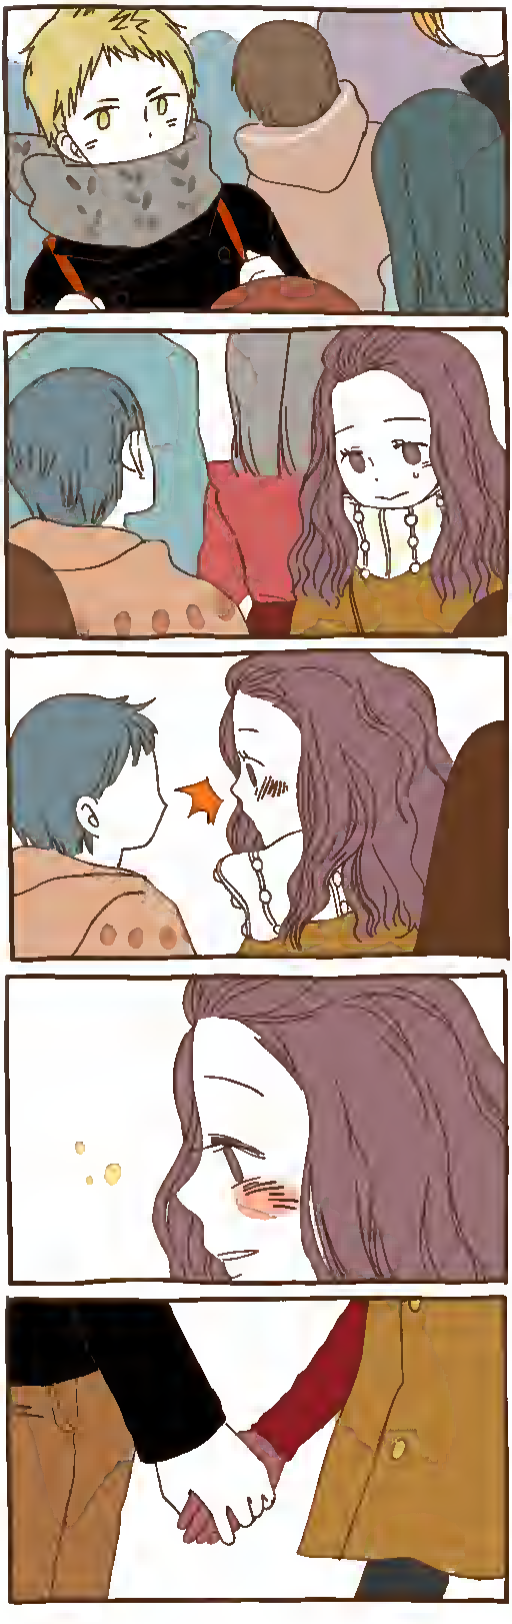
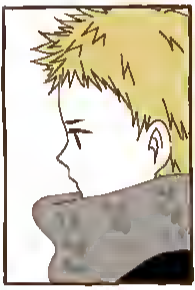
Excessive drinking is not good...

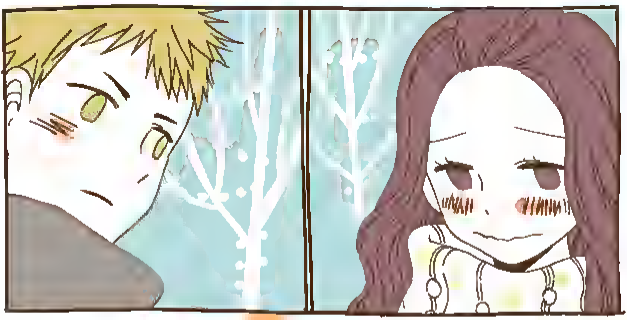


In reality, the start of a relationship is not as idyllic as they show in the movies.

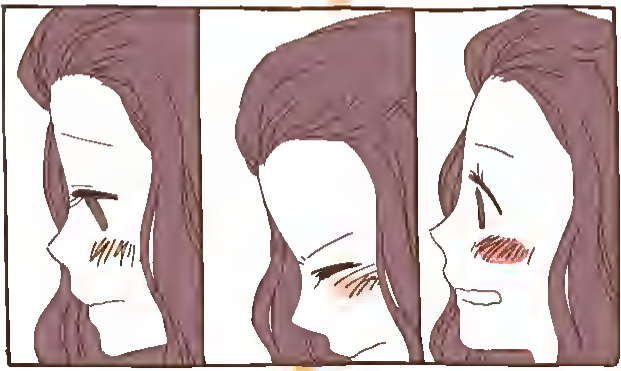


At a place you never even though about,

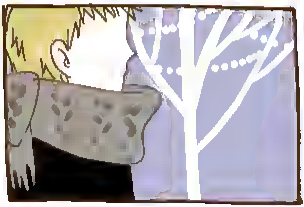
at a time you never planned,



Your voice trembles, just a glance sets off butterflies in your stomach, and you don't have the guts to make eye contact...

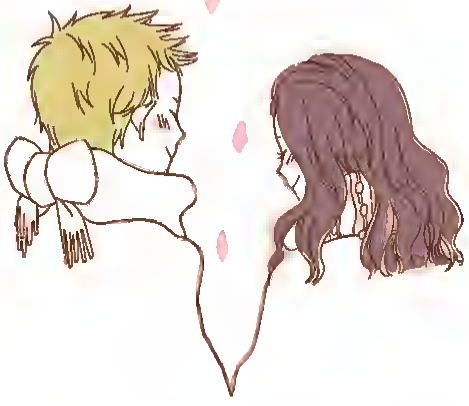


You stutter while trying to fix misunderstandings and blame yourself while thinking, "This isn't it."



But in these chaotic times and spontaneous moments,

like everyone else, we...



become lovers.

THE STORY OF SOMEONE WE KNOW

아는사람 이야기

Ep. 28. A Hoobae I Know

(TN: A hoobae is a junior while sunbae is a senior
It's equivalent to the senpai/kohai relationship in Japan)

He can't write when he's at home and needs a quiet place.

You can use it cause no one's here during the day anyways

Really? Thanks.

So I set up a workshop for my boyfriend in the living room of the home I'm renting.

It was fun in the beginning.

Chicken!

Yay!

Be careful

Of course.

...

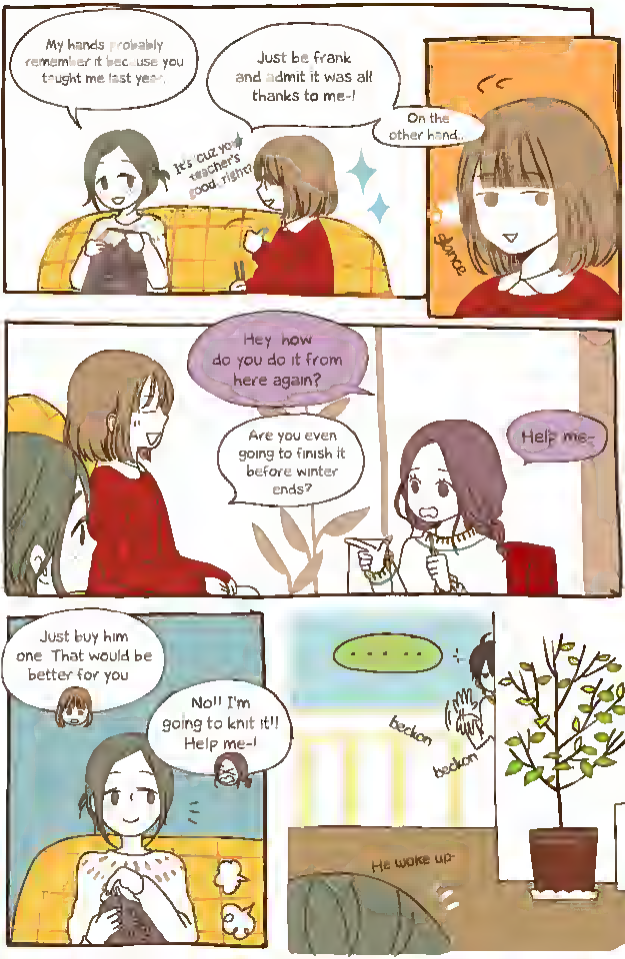
We fought a lot because of things I never knew about him despite the fact that we'd been dating for five years

We lived like this for a few months..

Now...

*Jjung— You're freaking good at this

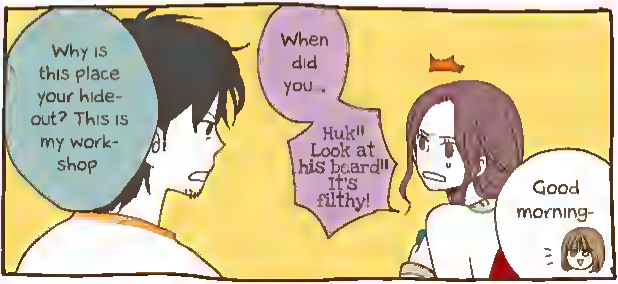
*Jung-Ah



My hands probably remember it because you taught me last year.
Just be frank and admit it was all thanks to me-!
It's cuz your teacher's good right?
On the other hand..
glance
Hey how do you do it from here again?
Are you even going to finish it before winter ends?
Help me-
Just buy him one That would be better for you
No!! I'm going to knit it!! Help me-!
beckon
beckon
He woke up-

Eventually, we were able to communicate with each other just by using our hands.

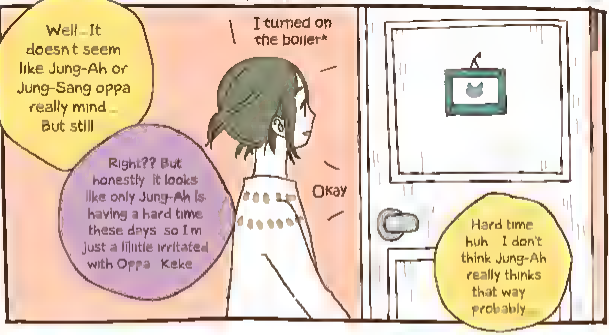
I knew it~ It's so comfortable meeting up here since we have a hideout, especially during winter♥
Who told you this was your hideout?



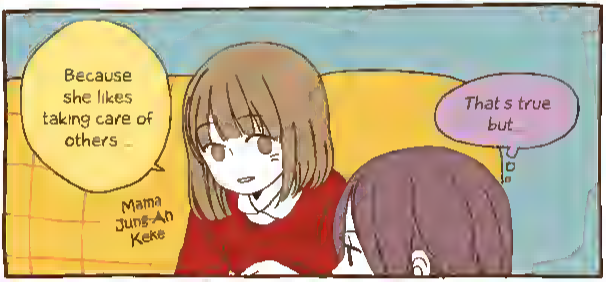
Anyway, this place was originally our hideout before it became our workshop!
It's my workshop now-!
Both of you are wrong
This place. Is my house
So stop fighting...
Unless you want to be kicked out
Yes, ma am.
The correct answer
Oppa, go take a bath first
But this is gonna get cold??
Jung-Ah is really the type that's scary when they're pushed over the edge
Right right

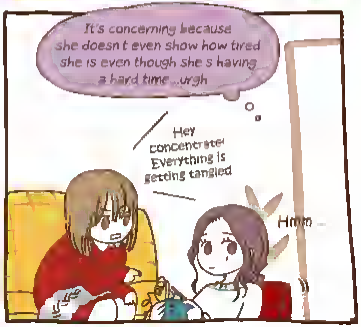
She has a natural poker face so you can't tell how mad she is... I can't get a read on her at all...
Do that part like this
Ah. There's a guy like that at the café I work at...
Him
And... about put-ting down Jung-Sang oppa...
Don't do that too much, okay?
Oh. Did it come across as putting him down? It wasn't this bad in the beginning
Nowa-days it's like a knee-jerk reflex for me T_T
Respect him for now He's Jung-Ah's boyfriend after all...
You know why I act this way towards Oppa, right We are much closer than we were before...

(TN: In Korea, you need to turn the boiler on if you want hot water)



Well.. It doesn't seem like Jung-Ah or Jung-Sang oppa really mind.. But still
I turned on the boiler*
Okay
Right?? But honestly it looks like only Jung-Ah is having a hard time these days so I'm just a liiittle irritated with Oppa Keke
Hard time huh I don't think Jung-Ah really thinks that way probably..

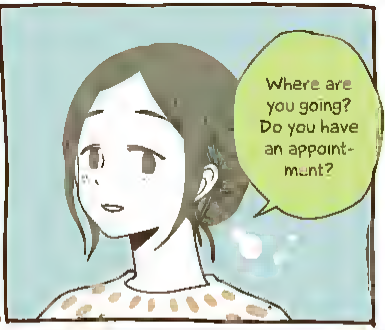




It's concerning because she doesn't even show how tired she is even though she's having a hard time..urgh
Hey concentrate! Everything is getting tangled
Hmm..

Absorbed in their projects
I'm gonna go out now- Keep playing.
O-Oppa! You look younger since you shaved your beard
You look cool and handsome
Oppa is at this level~
Don't fall for me. Sang-Hoon is going to cry~
Kya
Come~ On~ Sang-Hoon is Grade A~
Ugh-

THEN AM I GRADE B?!! YOU'RE THE WORST!!
Haha



Where are you going? Do you have an appointment?

It's not that...

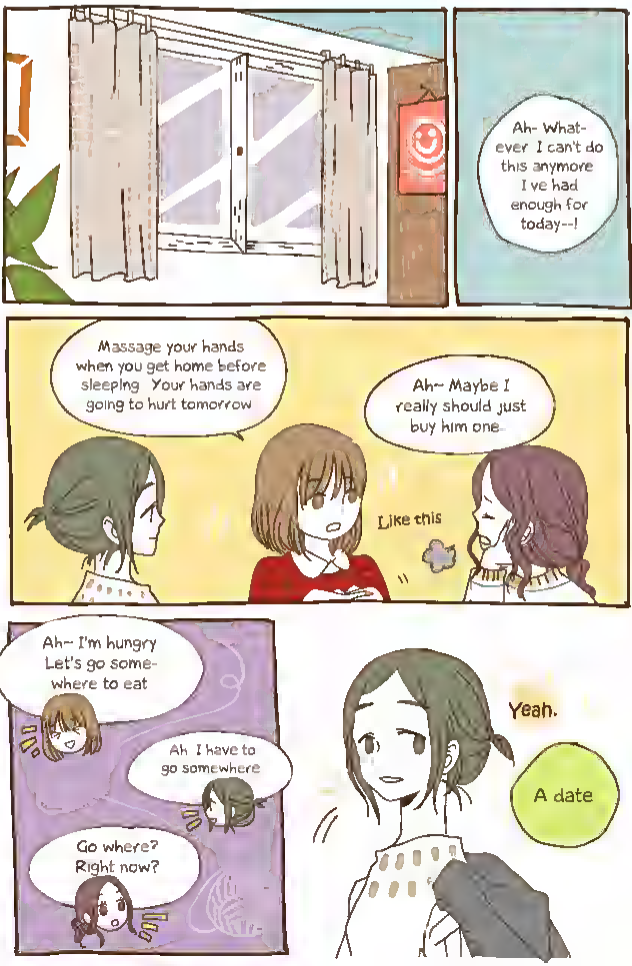
We know each other well enough to roughly understand what we're thinking just by looking into each other's eyes

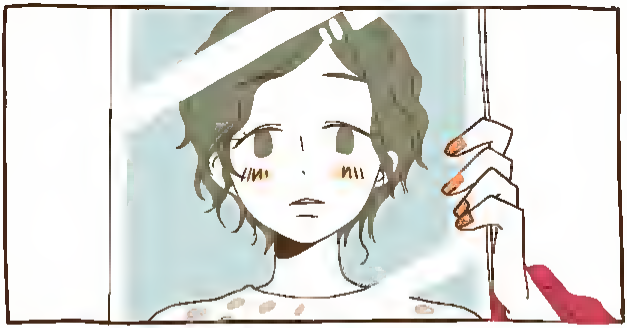
Hey Concentrate Concentrate.
Your reaction is different from just a while ago
Poke Poke
Dating is a good thing, riiight~
That was a nice pat.



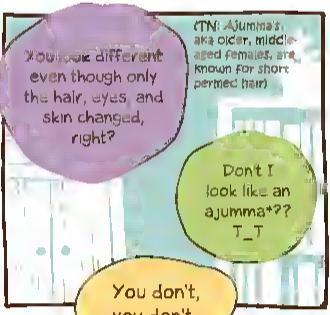
Ah- Whatever I can't do this anymore I've had enough for today--!
Massage your hands when you get home before sleeping Your hands are going to hurt tomorrow
Ah~ Maybe I really should just buy him one
Like this
Ah~ I'm hungry Let's go somewhere to eat
Ah I have to go somewhere
Go where? Right now?
Yeah.
A date

You're going to meet Jung-Sang oppa? Are you late because of us? T_T
You see him all the time and you're going to see him again??
We rarely eat out hehehe
He said he'll be writing so it's okay-
Let's go-
Hold up
You're going out like that?
Worn-out zip-up hoodie
Tee she wore at home
Short scarf
Just jeans
You said it was a date.
Huh..?
You said it was a date.
blush

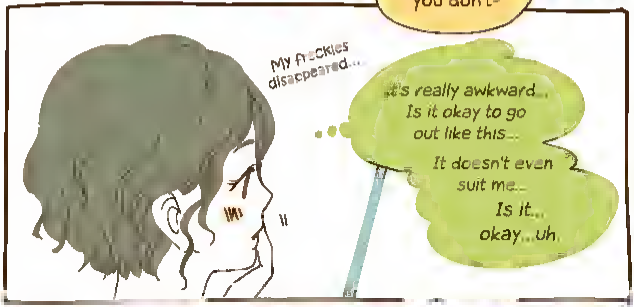
I'm not really good at dressing up...
Is it too bland??
Dressed up
Uh Yeah...
Come here-!
TA-DA!
Whooaa-



..Aw..
..Awk-ward



You look different even though only the hair, eyes, and skin changed, right?
(TN: Ajumma's, aka older, middle-aged females, are known for short permed hair)
Don't I look like an ajumma*?? T_T
You don't, you don't-



My freckles disappeared...
It's really awkward... Is it okay to go out like this...
It doesn't even suit me... Is it... okay...uh.

Dating is a good thing
Good luck
I'm not going to call him it'll be a surprise
I hope he doesn't say anything though
Cafe Sir
Is it really okay? Isn't it too much
I can't go home now that I'm here already

(TN: Hoobae is an honorific for a junior at work/school.)

Hello-
That hoobae from that time.
The one with the similar dress.
Ah...I'm going to go buy something to drink.
Okay, come back quickly-
One mocha without whipped cream please
Yes-

I put on makeup.

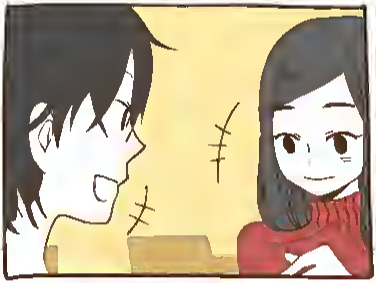
Ep. 30. Uncomfortable Feelings



I feel...

uncomfortable being around Jung-Sang-oppa's colleagues...

Oh my...
I'm so sorry...
I'm interrupting you two
Yeah, I didn't get bored waiting because of you
No, you're not-
That's a relief then
And...
Think about what we just talked about and contact me
Tap...

I'll be waiting...
Okay...
bump
Bye
She said she was in the area so I called her cause it was boring waiting alone
Okay..

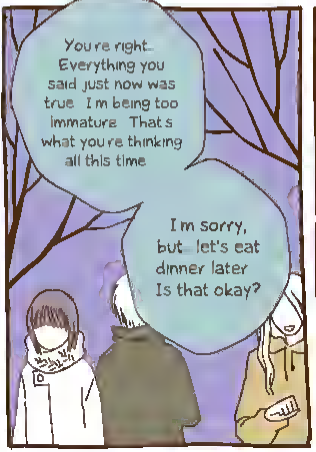
Did you think about what you want to eat? Let's go look for it.
Tch!
But...
What kind of reply is she waiting for?
Do you meet up a lot?
Where in this area does she live?
The two of you are close enough that she'll come just because you called her?
What about this place?
We were going to eat here last time, but we couldn't.
.. I can't ask him these questions..
I'll go ahead and make a reservation then, okay?
I like it
...Although it bothers me....

Ugh It's cold
It's supposed to get a little warmer today~
It's a cat~
Meow~
Come here~ Chuchuchu~
Meow!
I won't hurt you~
DASH
Come here.
You cutie.
Let's hurry up

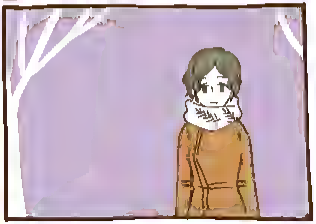
You know...
We should get a cat..
No.
Never.
. . . .
?
I'll pay for all the cat's expenses...
You know that money isn't the problem here
Why-? You like animals too...
Liking one and taking care of one are two completely different things-
It takes more time and money than you think...
Well, about time...

It's okay because I'm always at home...
Ugh...
Aren't you taking being able to stay home for granted?
And, even though you're always home, you don't do your share of the work or even take care of simple household chores.
Before you think about taking care of a pet, focus on taking care of what's already on your plate...

Ah
Is that so?



You're right... Everything you said just now was true. I'm being too immature. That's what you're thinking all this time.
I'm sorry, but... let's eat dinner later. Is that okay?



What the...
I would have eaten with my friends if I knew this was going to happen
turn
How are you doing La La?
Greet me~
Pet me~

Ah, you're so pretty-
Huh?!
Ah...Hello.
Ah...Yes. Hello
He must be La La's owner

You must be on your way to some event, right...?
...Huh?
...Ah...
??
...No...
Pay attention to me please!
Because your hairstyle is different from usual
Ah...
Even strangers like him
Actually...
noticed.
It wasn't even something to fight about...

He didn't comment on my hair so did he even notice that it changed?
He was the one who wanted to eat out but then he went and called out his female hoobae
Yeah I understand that he would have been bored But still .If he was going to call her he should have told me beforehand
Even though he knew that I'd be uncomfortable
Discomfort Levels Rising ↑↑↑
I'm never going to apologize first
"Enjoy yourself with them.
Later, let's eat together..."
"You're here..?"
"Is there anything you want to eat?"

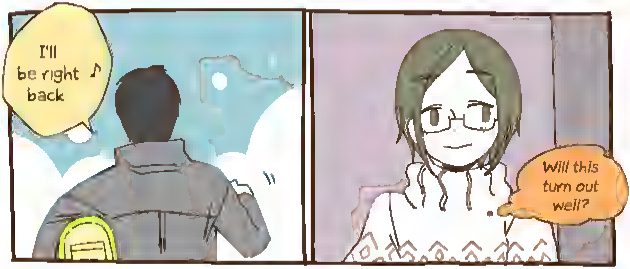
"Ah...
Is that so?"
Urgh...
Uh...
Ugh...
vibrate

My Jung
Where are you ?
I'll prepare the food,
come and let's eat together.
We'll talk about cats while
eating too. It's cold..
Hurry up and come back.
Honestly, if I had to pick... I like dogs better.
Dogs...are good-
But still...Um, a dog...
is also good but...

But...?
I think a cat would suit me more in the end
Sigh..
I actually want a dog that's on the larger side like La La
Later, at a house that has a rooftop garden
Bow
Wow
What do you think about adopting a pet from a shelter?
Ah... About that...
Actually...
There's one I already called dibs on
You wanna see a picture?
WHAT?! WITHOUT EVEN ASKING ME?!
It's not from the shelter but
it's the same 'cause this one doesn't have a home
Look look

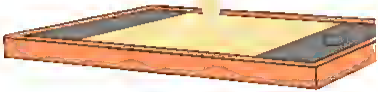
I sleep with a blanket~
Aww...Look at its paws... How...☆
Isn't it cute?
...Are you sure...you have the confidence that you can take responsibility? Just having the determination to take care of a pet isn't enough...
You need to treat it as if you're bringing in another family member...
Well that much I'm familiar with some of it raising my family's dog, Yeppi (12 years old now!). Don't worry
When it arrives,
let's name it together
It's what he said.

A few days later, cat furniture turned up every now and then.



Oppa was excited about preparing for a new family member and went to pick up the cat.

And...



What came back when dinner was ready

was news about Jung-Sang-oppa's accident.
